# 1.EXECUTIVE SUMMARY

Lending program Cryptocurrency are poised to become one of the most disruptive innovations in financial technology since the beginning of the Information Revolution. This is largely due to over-regulation in many of the world's leading financial sectors. With the invention of powerful, peer-to-peer computing technologies such as Bitcoin, Ethereum and Litecoin, the scientific exploration of investing can proceed uninhibited and at a rate and scale previously unimaginable. We believe undoubtedly that markets driven coins will disrupt some of the largest existing industries in the near term. Looking forward, we expect that the BITXX Coin platform will form the basis for community market on a global scale. In order for BITXX Coin platform to become truly disruptive, it must be universal and draw from all of cryptocurrency community global. The platform must be decentralized, permissionless, and trustless to exist.

1.1. Problem Overview is there is a gap between one cryptocurrency ecosystem to another cryptocurrency ecosystem.

BITXX Coin is a blockchain asset. Cryptocurrency peer to peer, decentralized and anonymous.

The difference between bitxxCoin and others is on the ROADMAP which from the beginning, it will build a BITXX Coin user community and built merchants data base, not just relying on capital market from Lending and trading only for the core business.

## 4. BITXX COIN USER COMMUNITY

Like bitcoin and ethereum that are always stayed on rank 1 and 2 in Coinmarkecap.com due to many communities of bitcoin and ethereum users, BITXX Coin will also emulate their steps. One of the strategy is to build a community first.

4.1. BITXX Coin recruiting Top Country Promoter. Their task is to promote BITXX Coin during Initial Coin Offering (ICO) and so on. They must recruit the minimum 10 (ten) Regional Promoters in their country to help the Top Promotor to promote BITXX Coin. To do this job, BITXX Coin will get special support and reward. Term and condition applied.

4.2. Recruiting International Merchant. In the very beginning BITXX Coin have a mission to collect and persuade a lot of top merchants in every country that already have good business, online or offline to use BITXX Coin as an alternative payment system. The Merchant will get some support from BITXX Coin with some term and conditions applied. Top Promoter and regional promoter have a task to recruit merchants every week and they will get a support or reward from BITXX Coin.
